WHO WE ARE

A maritime business. An island story.

Samship's ship-supply heritage dates to 1979, when Raymond Samandar & Co. Shipchandling N.V. began serving Curaçao's maritime industry. In 2024, that legacy entered its next generation through Samship B.V., established as part of the family's succession plan.

Ship supply

Provisions, deck stores, engine stores, cabin stores, bonded stores, ship's spares, and safety and PPE.

Send a requisition with quantities, specifications, vessel details, location and timing.

Distribution

Food and beverage categories plus industrial and operational supplies for Curaçao.

Ask about the range, pack sizes, availability and delivery for your location.

SERVICE & LOCATION

Based in Willemstad.

Ship supply is coordinated alongside in port or to vessels at anchor. After-hours vessel supply is available by arrangement; share your timing and the team will confirm what is possible.
